Global Play Day Thank You

Our school participated in the Global Play Day on February 1st. Global School Play Day is designed to bring awareness to the importance of unstructured play for students in schools around the world.

Students engaged in a day of play both inside and outside the school. Thank you for making this day a success. It was fun!

Rocks and Rings

All students at David Cameron will be participating in a Curling session that will be held in the gym at our school on February 7th and 8th. There will be an instructor who will teach the sessions. Children always enjoy learning about new sports.
