

DAVID CAMERON ELEMENTARY SCHOOL PARENT ADVISORY COUNCIL NEWSLETTER

JANUARY 2024

WELCOME BACK DAVID CAMERON!

We hope you all enjoyed the break from school mornings and had some enjoyable times together over the break. Now back to regularly scheduled programming.

Our elected PAC officials are back at it and had our first meeting of 2024 this past Wednesday and have lots on the go already for this year.

This being said we would like to thank all of our wonderful volunteers that make all of the effort seem effortless and make for an amazing school community that we are all so proud to be a part of.

WHAT IS PAC?

PAC is each one of us. Parents, guardians, grandparents, aunts, uncles etc. If you have a family member currently attending David Cameron Elementary, **YOU** are PAC. The official executive of the PAC is voted on each year (usually in May) at the Annual General meeting. If you would like to hold a position or even vote on the next years executive, that is the time to come to the meeting and volunteer for any one of the positions available. That does not mean you are not currently part of PAC and are welcome at any one of the meetings and have a vote.

Our next meeting is February 28 and we will be starting to go Live on facebook for our meetings for anyone who is unable to join in person.

ACCESSIBILITY

School District 62 has put a team together to make sure all schools are accessible to everyone. They would like to know about any and all barriers you are faced with when trying to access a school program, building or school information. The district is also dedicated to help with ways to receive a service or support.

If you have experienced any barriers, please take a moment and fill out the survey.
