

February 2024

Hello David Cameron Families,

The project to remove portables and add classes to the school is well underway. This link will give you a preview of what the school will look like: [Expansions | Sooke School District \(sd62.bc.ca\)](https://www.sd62.bc.ca/expansions)

We anticipate completion in time to welcome students in September 2024. As construction progresses, the construction must be reconfigured to allow for more space for supplies and delivery vehicles. The changes will come into effect this Friday, February 25th and will temporarily impact the pickup and drop off traffic flow at the school.

The red lines below indicate the new traffic flow for student drop off and pick up. The walkway (yellow line) into the Pickford Road neighborhood will still be accessible after the crosswalk. The green area is the construction zone.

Thank you for your patience as we adjust our school footprint to welcome families to our growing community

Please send any inquiries to catch62@sd62.bc.ca
