

DAVID CAMERON ELEMENTARY SCHOOL PARENT ADVISORY COUNCIL NEWSLETTER

FEBRUARY 2024

SPRING FAIR PLANNING COMMITTEE

Our spring fair planning is underway for June 2024!

Thank you to those who have volunteered to take the planning to make this a very fun and successful event!

Currently we are reaching out to our community for donations for the Silent Auction. If you have a business or know someone that has something to donate (even cash for a booth sponsorship) we would appreciate your support. Please reach out to presidentdcpac@gmail.com

If you would like to volunteer in the planning, please let us know. We would love to have you!
Opportunities for volunteers for the event **coming soon!**

BOTTLE DRIVE

Our new date for the bottle drive is **February 24** from **9-1**. Drive in with your bottles and we will take them off your hands. This is a fun few hours on a Saturday to come out with or without the kids and connect with some of the parents. The time always goes quickly, and we supply gloves!

volunteer here: <https://volunteersignup.org/TWDFQ?>

CONSTRUCTION ZONE

Our school is changing! we are currently undergoing a new addition. We are part of a pilot project, (1st in BC) to expand our school. This building is planned to be ready for occupancy for September 2024!

This is a very quick turnaround time, and we are excited to see the final project.

If you have any questions or concerns, please take them directly to the principal. stonnesen@sd62.bc.ca

DID YOU KNOW???

David Cameron PAC has a Facebook page. We regularly update information. Come check us out!
